Boy Scouts Adopt "Flicka" As Mascot

Redwood City's Boy Scout troop 120 are seen adopting "Flicka" Redwood City pinto, as their official mascot. Roddy McDowall, and Preston Foster, stars of "My Friend Flicka," now playing at the Fox Sequoia Theater, seem to favor the idea.

It all started when 20th Century Fox made a picture about a boy and his horse, based on Mary O'Hara's best-selling novel titled "My Friend Flicka." Virginia Donovan, of 144 Somerset Street, owner of 3 other horses besides "Flicka," was so thrilled with the idea of the picture, its moral, and the fact that the picture was to play the Fox Sequoia Theater in her home town, that she invited the Boy Scouts to adopt "Flicka" as their mascot.

Incidentally, "Flicka" is not an ordinary horse, as her family tree well proves. In 1941 Flicka's mother was purchased from the Jimmy Rapley Ranch. Flicka's papa, none other than "Sheik

Don Pedro," of the O and O Ranch is valued at \$10,000.00. "Flicka" is a golden Palomino with a white mane and tail and has four white feet and a white star forehead marking. "Flicka's" birthday will be celebrated today, when the newly endowed Boy Scout troop attends the showing of "My Friend Flicka" at the Fox Sequoia Theater as guests of Mgr. Hal Honore.

400 Attend San Carlos Show

SAN CARLOS—Approximately 400 attended the "Night in Reno," given Saturday night at Laurel Hall by San Carlos Post 585 of the American Legion. Legion members came attired in western outfits and conducted games until 2 a.m. Comic posters and early western decorations created a wild west background for the affair.

Poppy Sale Set for Saturday

The annual buddy poppy sale by Veterans of Foreign Wars will be held in Redwood City today and tomorrow, by members of the James Lindsay Wilson Post No. 2310 and the Post Auxiliary. Members will sell poppies on the streets all during both days.

All proceeds of the annual sale are devoted exclusively to the care and welfare of service and ex-service men and their dependents. The buddy poppies have been made by disabled veterans at the veterans' hospital in Napa.

Andrew Stewart, chaplain of the local post, is chairman of the week-end sale.

Angola in east Africa is Portugal's largest colony.

Auto Accident Takes Life Of War Hero

Mervyn B. Scott, 28, disabled veteran of World War II who suffered ruptured ear drums when the cruiser Chicago was battered by Jap shells in the South Pacific, met his death because a deer ran in front of his car on a peaceful San Mateo County roadside, Dep. Coroner Lewis E. Franklin said.

Scott, a gunner's mate on the Chicago, died Sunday at 8:30 a.m. when his car skidded 226 feet and rolled another 171 feet on the Sand Hill Rd., 3 1/2 miles from Walsh Rd. west of Menlo Park. A few hundred yards from the car was the body of the deer. The vehicle, which was owned by Adele Escolle, Mountain View, bore hair and blood of the dead animal.

Scott was thrown from the car and pinned under it as it rolled over. California Highway Patrol Sgt. Manfred Walzberg and Dep. Sheriff Thomas Maloney investigated.

The ruptured ear drums brought about Scott's honorable discharge from the navy and he has been serving as caretaker on estates in the Woodside area.

He is the son of Mr. and Mrs. Mervyn B. Scott Sr., brother of Mrs. Charles Hepp, Mrs. C. Treuman Whitehouse and John K. Scott of Louisville, Ky. He was a nephew of Mrs. Virginia Bass of Cleveland St.

Junior Prom Set for Saturday

The annual junior prom to be held Saturday evening, June 5, at Sequoia High School, will have "Rose Room" as its theme this year. The dance will be given in the school library instead of the girls' gymnasium as formerly. Bids will be limited because of the size of the library, those in charge say. During the evening's entertainment, refreshments will be served in the tea garden.

Committees include Ray Wilkins, William Hayes and Joe Whelan, who secured the orchestra; James Harrison, Fern Davis and Juliana Hakala, who will handle bids; William Sigal, William Slade, Frances McParland and Pat Singleton, who have charge of decorations; Sunny Boyd, Mary Louise Cochran, Elizabeth Evans and Alan Hanson, who will see to publicity; Eleanor Kreiss, Jean McIntosh, and Dorothea MacWay head the refreshment committee; William Blair will supervise checking of wraps and the junior board is taking charge of clean-up, under supervision of Wyoma Suhlsen.

S.C. Starts Full-Time Recreation Plan

SAN CARLOS—A fulltime program with three recreational leaders assisting Ralph Shaw, recreational director, at the recreation center was announced today following a meeting of the recreation commission.

Mrs. V. O. Fudge, formerly employed in Palo Alto as playground supervisor, was appointed by the commission to take charge of pre-school and kindergarten age children. Mrs. Brice Wheeler will conduct classes in handicrafts all day every Thursday, and Mrs. Hal Harden, already employed as a recreation leader at the park, will have charge of girls from the upper grades and high school.

Full supervision will be offered children between 9 in the morning and 8 at night when school is out next month. Mrs. Fudge is at the park from 10 to 12 in the mornings and 2:30 to 4:30 in the afternoons to direct the younger children at the area set aside for smaller youngsters at the north end of the park. It is her plan to direct an hour of organized games and supervise an hour of play each morning and afternoon.

The supervisor will be on hand for longer periods during the summer vacation.

Mrs. Harden who has two girls' teams organized now says she hopes to form further teams so that a league can be organized with girls' teams from Redwood City. She also wants to assist in forming adult teams and suggests that any organization whose members would like to get together a team should contact her.

Director Shaw will supervise baseball and other boys' activities in the upper grades and high school groups.

Only 39 Attend Bomb Instruction

Of 1600 registered civilian defense corps volunteers in Redwood City, only 39 attended a bomb instruction class last week, the civilian defense office announced today. The class was held at McKinley School. Asst. Fire Chief Joseph L. Lodi was the speaker.

The ukulele is of Portuguese origin, developed and popularized by the Hawaiians.

SCOUTS: 1200 To Attend Camporee at Flood Park

More than 1200 Boy Scouts will rededicate themselves to serve the nation in ceremonies this week end at the 1943 San Mateo County Council Annual Camporee in Flood Park, Atherton.

Under the leadership of J. V. Christie, general chairman, the scouts will mass in a hollow square in the middle of their camp covering more than three acres of ground and pledge themselves anew to uphold their slogan, "Strong for America." Hundreds of parents and friends will visit the encampment on Saturday and Sunday.

Special features of the camporee will be knot tying for tenderfoot—second and first class scouts; water boiling and fire building for second and first class; Morse signaling for second and first class; semaphore signaling for second and first

class; compass for second and first class; tent pitching for first class scouts only; first aid for second and first class scouts; scout pace for second and first class; judging and observation for second and first class; message relay for second and first class scouts; undressing relay for all scouts; and flag questions for tenderfoot.

No fire pits will be allowed. No garbage pits may be dug.

Prominent scout officials will inspect the camp on Sunday afternoon. The committee in charge of the camporee comprise Christie, Stanley Marcus, Ralph Brill, W. Stevens, Glenn Thomas, Fred Benoit, J. J. McCann, Bert Werder and Edward A. Barrer, scout executive.

Troop 143 of Redwood City with Scoutmaster Hamilton Day will attempt to capture the high

honors of the council camporee. Twenty-five scouts will establish a model camp at Flood Park early Saturday morning.

Forty-two scouts of Troop 162 of Redwood City met with Scoutmaster J. J. McCann at their last get together. They held test passing, signaling, first aid, and were given instruction in knot tying.

Victory canning is food insurance

Though conserving on canned goods alters our food buying somewhat, it's no time to slight the nutritional standards of our menus. That's why canning foods at home is becoming a major kitchen industry. Foresightedness now means better nutrition, better menus, and more food enjoyment later on.

If you're a first-timer, and there will be many this year, there's no reason to be overwhelmed at the prospect of home canning. Just remember that there are rules to be followed, and if these rules are adhered to carefully, then there should be no difficulty.

GET THE LATEST INFORMATION—Old hands at canning as well as beginners should look to the newest information and material on canning for their rules. Grandmother's methods were all right for her day, but new discoveries about vitamins, minerals, and other nutritional facts have outmoded information of even a few seasons back. So, just as you wouldn't follow an outmoded pattern for making a dress, neither should you follow outdated directions for home canning.

CLEANLINESS AND STERILIZATION—One of the first and most important rules in home canning is cleanliness and sterilization. It is not too much to say that you should be almost fanatical on this point if you don't want to lose foods through spoilage. That's why we recommend that canning be done in small lots rather than all at once.

Sterilization includes the equipment, jars, lids, and the food itself. The bacteria and yeasts which ruin foods must be destroyed in the canning and processing if the food is to keep and be safe to eat.

Non-acid vegetables, (which means all vegetables except tomatoes and peppers) fish, poultry, and meats (all of which are non-acid foods) HAVE to be heated to a temperature of 240°F. to 250°F.—far above the boiling point (212°F.)—in order to destroy the organisms which cause: botulism (food poisoning) and other types of spoilage. That is why it is imperative that a pressure cooker be used for the sterilization of these foods. However, it is not necessary to have a pressure cooker in order to can fruits, tomatoes, and peppers.

WHEN TO CAN—Can foods when they are in full season. It is more economical then. And can them at their peak of freshness, too, to capture all their vitamins and minerals.

Old Time Eating is NOT RATIONED

Even though inch-thick steaks and chunky roasts of choice cuts are going where they are needed most, the Yanks on the Home Front won't go starving.

No sir, not by a tummyful.

Yankee housewives know what to do with meat scraps, an onion or two, a few carrots, turnips, potatoes and dashes of proper seasoning.

Victory Gardens will provide the rations from the field. Mr. Mulligan's stew will be patriotically popular along with nutritionally good boiled dinners and the savory kettle of home made soup.

And besides—the best can opener today is a depth bomb that rips open an Axis submarine.

VEGETABLE SOUP (Minestrone)

Serves 8. Time 4 1/2 Hours.

2 lbs. shank of beef with bone
3/4 quarts cold water
3 tbsp. salt
1 cup dried white or red kidney beans
2 tbsp. olive oil
1/2 cup minced onion
1/2 cup minced parsley

World's Only High School Camel Coming With Circus

In A-1 condition but deferred from duty!

That's the plight of Bagdad, world's only high school camel, coming with Russell Bros.' Great 3-Ring Circus to Redwood City, twice daily Friday, May 28. This is the show that broke all circus records in Los Angeles.

It's not Bagdad's fault that he is not rambling with his hump-backed cousins as they aid the Allied march across Tunisia. He was simply born on the wrong side of the equator.

However, Bagdad isn't loosing any camel fur over the fact. He's too busy presenting his share of munitions for mirth by showing what a well-mannered and highly trained camel can accomplish.

Ordinarily a vicious, biting, kicking beast disliked by all circus attendants, the Bactrian species of which Bagdad is one, is seldomly used for anything in the circus but menagerie exhibition.

However, this camel is quite determined to ally such a reputation. And if his performances with the circus are of any prophetic value, Bagdad's 1550 pounds are going to lend a lot of weight to eliminating the reputation of too many of his relatives.

Doors to the Russell Bros.' menagerie open daily at 1 and 7 p.m. giving circus patrons an entire hour to view the animal exhibits before the start of the big show at 2 and 8 o'clock.

City Council Reminisces

Redwood City city councilmen this week turned the pages of time back 76 years—and had City Clerk Ralph S. Dodge read the minutes of the first meeting of the board of trustees (now council) May 18, 1867.

The minutes, written in Spencerian longhand, read, in part: "The first meeting of the board of trustees of the Town of Redwood City, San Mateo County, elected by the qualified electors of said town of an election held there on May 11, 1867, under the provisions of an act of the legislature of the State of California in relation to the incorporation of town passed Apr. 19, 1867, was held on the evening of May 18, 1867, at 7 1/2 o'clock.

"Present J. V. Diller, S. S. Merrill, J. W. Ackerson, John Titus and L. A. Parsons.

"Whereupon John V. Diller was thereupon duly elected by said board as their president and John W. Ackerson secretary pro tem."

The meeting was adjourned to May 20, 1867.

THREE GRASS FIRES

Redwood City Fire Dept. extinguished three grass fires yesterday afternoon and evening. Firemen were called to 68 Arch St. at 4:41 p.m., to 521 Arlington Rd. at 5:31 p.m., and to Southern Pacific property on El Camino Real near Hopkins Ave. at 9:49 p.m.

Mead Issues Water Warning

City Mgr. Robert W. Mead today warned victory gardeners who wish to take advantage of victory garden water rates that they must fill out application forms prior to June 1. Application forms may be secured at the water department in the city hall.

In October, when the September bill is paid, consumers will be credited with 50 per cent of the estimated amount of water necessary to irrigate their gardens for the entire season, Mead said. This estimated amount is to be two cubic feet of water per one square foot of area.

In order to obtain this credit, an affidavit must be signed stating the size of the area cultivated for the entire season and that city water exclusively has been used for irrigation. Minimum area is 200 square feet and maximum area 2000 square feet.

Health Director Warns Dog Owners on Rabies

Dr. C. C. Gans, county health director, today warned dog owners that the rabies quarantine applies to all canines—licensed or unlicensed. All dogs must be confined or kept on leash during the quarantine, he warned. Possession of a license provides no exemption from the order.

Of course there won't be any auto shows this year. In some cities pedestrians won't have a show either.

SHORT MEETING: Chester Armstrong Takes Office as New Councilman

In one of the shortest meetings held by the Redwood City City Council in months—45 minutes—councilmen voted this week to change the names of three Redwood City streets.

Name of Canyon Rd. between Brewster and Westgate Aves. was changed to Stanley St. in honor of Stanley Dodge, son of City Clerk and Mrs. Ralph S. Dodge, one of the first Redwood City boys to lose his life in World War II.

St. Francis Ave. between Harding and Vera Aves., was changed to St. Francis St. This was done in line with the policy of having streets run parallel with El Camino Real and avenues at right angles therefrom, it was pointed out.

Sequoia Ave. between Roosevelt Ave. and the present termination of Sequoia Ave., one block southerly from Redwood Ave., became St. Francis Ave. (now St.) would nearly coincide with the present alignment of Sequoia Ave.

The recommendations were made by the Redwood City Planning Commission.

Chester C. Armstrong, a public accountant, was sworn in as a councilman, replacing Louis W. Jenkins Jr., resigned.

A communication from Frank A. De Patta, who has been chairman of the Redwood City salvage committee since early in 1942, enclosing a check for \$929.73 from funds derived from the sale of scrap metal, was referred to the war council. Funds are to be used to promote the USO or other activities for the benefit of the armed forces.

The council directed that a letter be sent to De Patta expressing appreciation for the work he has done on the salvage committee.

Atty. Edmund Scott, representing Ralph R. Brooks, operator of the Top Hat on El Camino Real near Brewster Ave., asked that the case involving Brooks be continued to the next meeting of the council because Brooks plans to sell the business.

Brooks had been cited to appear before the council to show cause why his restaurant license should not be revoked or suspended because of alleged irregularities at the Top Hat. The request for continuance was granted.

Closing hours at Redwood City Yacht Harbor were relaxed pending a decision by the recreation commission. Yachtsmen may work on their boats until dark in the evenings and may spend the night on their craft on Saturday nights and nights preceding holidays.

In answer to a letter directed by the council to the Civil Aeronautics Administration for advice on whether or not an emergency airplane landing field should be established in Redwood City, the CAA stated that "while we should like very much to see an adequate airport constructed in the vicinity of Redwood City and Palo Alto and strongly believe that such a development must eventually come

about, we do not encourage construction... at this time."

W. L. Meussdorffer, real estate dealer, protested a building at 2530 El Camino Real as being an eye sore and asked that it be removed. The matter was put on the agenda for the next meeting.

Mayor Floyd D. Granger suggested that property at El Camino Real and Brewster Ave. adjacent to the Pacific Greyhound bus depot be graded for parking automobiles, to relieve the congestion in the vicinity of the depot. City Manager Mead was directed to investigate the matter.

Councilman Carl Britschgi protested a scrap metal pile on Sam Gold's property on Woodside Rd. as unsightly and urged that something be done to remove it. Other councilmen pointed out that it was a temporary arrangement—that Gold had helped out in the scrap metal drive and that deliveries were now being held up. City Clerk Dodge, however, was instructed to communicate with Gold to see what could be done to relieve the situation.

Ferris W. Miles, chamber of commerce president, invited the councilmen to meet with representatives of Redwood City

'Life With Father' Now in S.F.

With the distinguished Percy Waram and the charming June Walker heading a brilliant cast, "Life With Father" is now playing a limited engagement at the Geary Theater. The comedy is for the third time on a trans-continental tour and has been stirring audiences to laughter since the Fall of 1939. There is only one matinee, Saturday, beginning at 2:30, but the evening performances include Sunday.

Percy Waram's acting of the role of the father of a family in an American home of yesterday is universally recognized as one of the great stage creations of recent years. June Walker's interpretation of the comic Vinale, the wife and mother who turns every rage of father into merely wasted exercise of his lungs, has been welcomed as a

Daly City Lieutenant Killed in Action

Formal notification that her son, Second Lt. Robert N. Clune, had died in action while on a radio mission over Nazi-occupied Europe, was received by Mrs. Edith McCune, 82 Peoria St., Daly City, in a letter from Adj. Gen. J. A. Ullo. He was awarded the Air Medal posthumously.

novelty of this production. Father, mother and the four red-headed sons are, of course, actually the now famous Day family as faithfully delineated in the comic books of the eldest son, Clarence Day Jr.

Such veterans of the stage as George Le Soir, Violet Holliday, James Jolley and Raymond Bramley in this Oscar Serlin cast, point to the standard of the talented group of younger players, including Andy McCulloch, Kathryn Lang, Annie Henderson, Victoria Horne, Camella Campbell, Bernard Carson, Jean Martin, Jane Crisp, Michael Merritt and Donald Hastings.

Men of the marine corps are called "leathernecks" after a leather-lined collar which was formerly part of their uniform.
